Education

Carnegie Mellon University

Bachelor of Design — May 2018

Major in Communication Design

Minor in Human-Computer Interaction

Dean's List — *Fall 2015, Spring 2016, Fall 2017, Spring 2018*

University Honors — *May 2018*

Projects

Blablab

Pop-Up Exhibition, Design Research — May 2018

Researched and prototyped various activities about conversational habits, and collaborated with three other designers to create a pop-up shop that teaches visitors how to be more empathetic in their daily conversations

Koality Time

User Experience, Visual Design — December 2017

Worked with a team to research the overusage of smartphones in social contexts, and designed a prototype of an app that encourages college students to avoid using their phones during hangouts

CMU Design Census

Web Design, Data Visualization — May 2017

Helped survey alumni from the Carnegie Mellon School of Design, and worked with a team to develop a website that includes our findings and analysis, as well as an interactive data tool

Cherry Pick

Design Research — March 2016

Conducted research with two other designers on how students go grocery shopping, and used our findings to create high-fidelity prototypes of an app that connects people through their shopping habits

Experience

Computer Consultant

Pittsburgh, PA — August 2016 – May 2017

Monitored a computer cluster reserved for students in the School of Design, and assisted them with printing and scanning documents

Skills

Design Research

Storyboarding, Wireframing, User Testing, Systems Thinking, Moodboards

Prototyping

HTML5/CSS3, jQuery, Processing.js, basil.js, Invision, Sketch

Software

Photoshop, Illustrator, InDesign, AfterEffects
